To our friends and colleagues within the Selected Independent Community:

First and foremost, we’d like you to know that we are praying for your health and safety daily. We commend you for your sacrifice and dedication now more than ever! Amidst so much uncertainty, your commitment to the profession is roaring loud and proud. We are so very proud of your efforts and want you to know we’re doing everything we can to get you the products you need to protect you and your teams.

That being said, we are receiving shipments of PPE and the inventory is leaving our warehouse as fast as it arrives. While these supplies may not be products that we had previously offered, we’re working with alternate manufacturers to ensure we can provide you with the much-needed protection.
